

PAPERTYGER ENVELOPES

A market leader in durable papers, PaperTyger® is a range of high quality, technologically-advanced, cost-competitive envelopes suitable for a wide range of durable applications. The strength of a core film layer coupled with smooth uncoated paper offers the perfect combination of value and durability for hassle-free printing and finishing. Manufactured by a patented, solvent-free laminating process all PaperTyger® durable papers offer high performance and versatility at an affordable price. PaperTyger® envelopes are tear, water, and great resistant and are available exclusively in North America from Mohawk.
