

MOHAWK EMBEDDED

Mohawk Embedded materials provide a unique alternative to standard direct mail. Small cards or magnets pop-out or peel-off a base carrier sheet, encouraging the recipient to interact, respond and remember. Embedded products save bindery and labor time and are perfect for membership cards, loyalty cards, insurance cards, refrigerator magnets and more.

MOHAWK EMBEDDED

MANUFACTURING REQUIREMENTS

Minimums start at 2,500 sheets for specials. Contact digitalcustoms@mohawkpaper.com on special inquiries.

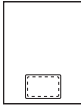

SPECIFICS

Custom layouts available.

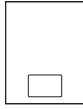

Design templates available at mohawkconnects.com/education/resources.

Most Embedded products have been designed for dry-toner digital presses only. Select items are suitable for HP Indigo presses and are noted.

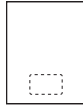

Call your Mohawk sales representative or visit mohawkconnects.com/education/resources for specific print settings for your digital equipment when running these products.
