Strathmore

The Luxe Paper

Setting the standard for design and innovation since 1892, Strathmore is a diverse assortment of cotton papers, colors and finishes that honor tradition while striking new ground with contemporary colors and surface technologies. They add a touch of luxury to all print communications.

Strathmore is certified by Preferred by Nature for FSC® standards, NC-COC-000668. Mohawk purchases Renewable Energy Certificates (RECs) to match 100% of the electricity used in its operations. Strathmore is made carbon neutral within Mohawk's production processes. The thermal energy used in the manufacture of Strathmore is offset through the purchase of carbon credits that fund renewable energy or emission-reduction projects. Strathmore recycled papers contain at least 30% post-consumer waste fiber and meet the EPA guidelines for recycled content papers. All virgin fiber content in Mohawk papers is elemental chlorine free (ECF) and all recycled fiber content in Mohawk papers is process chlorine free (PCF). Visit [mohawkconnects.com](https://www.mohawkconnects.com) for more information.
