

Packaging Papers

FOLDING BOARD / RIGID BOX

APPROXIMATELY 18PT AND HIGHER

The possibilities are endless with Mohawk Packaging Papers because papers of this caliper are suited for many packaging applications, including rigid boxes.

With papers that range from white to black, supersmooth to textured, stiff to supple, Mohawk Packaging Papers bring consistency to every element of packaging projects. When you need a sophisticated alternative to coated white board, Mohawk's premium packaging papers are the perfect choice.

Many Mohawk papers can be used for packaging purposes outside of this caliper range. See Stock Guide for details or consult your Mohawk Sales Representative for more options.

CUSTOM-MADE

If you can't find the right paper in our extensive portfolio, you can mix and match from our existing colors, textures and basis weight range to create something special. We can also make custom colors, special textures, unique basis weights, and specific sheet sizes to maximize manufacturing yield efficiencies and build the perfect paper for your next project.

Minimums start at 5,000 - 20,000 pounds depending on your specifications.

The mark of responsible forestry

Mohawk Carnival, Mohawk Loop, Mohawk Options, Mohawk Renewal Hemp, Mohawk Superfine and Strathmore are certified by Preferred by Nature for FSC® standards. NC-COC-000668. Mohawk purchases Renewal Energy Certificates (RECs) to match 100% of the electricity used in its operations. Mohawk Loop and Strathmore are made carbon neutral within Mohawk's production processes. The thermal energy used in the manufacture of Mohawk Loop and Strathmore is offset through the purchase of carbon credits that fund renewable energy or emission-reduction projects. Mohawk Carnival, Mohawk Loop, Mohawk Options recycled papers and Mohawk Renewal Hemp Fiber White and Flower papers contain at least 30% post-consumer waste fiber and meet the EPA guidelines for recycled content papers. All virgin fiber content in Mohawk papers is elemental chlorine free (ECF) and all recycled fiber content in Mohawk papers is process chlorine free (PCF). Visit mohawkconnects.com for more information.
