PAPERS WITH RECYCLED OR ALTERNATIVE FIBERS AND A COMPELLING SUSTAINABILITY STORY

Sustainability has never been more important to brand storytelling. As sustainability stories have become more sophisticated, so have the material inputs used that drive their narratives.

Mohawk's Sustainable Collection provides a powerful opportunity to add substance to sustainable storytelling. From hemp stalks to the highest levels of post-consumer waste fiber & certifications, the origin of these papers is evident in every sheet.

DIGITAL
 This collection contains Digital i-Tone papers that have been carefully engineered to deliver superior performance on today's digital color production presses. Mohawk's proprietary i-Tone surface treatment has a unique affinity for both liquid and dry toners. The true benefit of i-Tone is seen in consistent, high-fidelity image quality, greater durability, and better toner adhesion—even on textured surfaces.

ENVELOPES
 Sustainable Collection papers are available in a variety of envelope sizes, styles, and weights.
